

Jenna Stoeber

Content Creator

Jenna has a Master's Degree in Media and Culture, which she puts to good use in her content creation. Her work ranges from goofy chaos to insightful media analysis with an academic perspective. Over the span of her career, her videos have received millions of views. *Burnt*

Cook Book Party (BCBP), a timelooping actual play podcast she hosts and produces, receives over 5,000 downloads per episode. Her Twitch fans, lovingly referred to as *The Jesties*, are thoughtful, kind, and fueled by puns.

- Video essays on video games, horror, and internet culture
- Game livestreams
- Podcast appearances
- Hosting and guesting on live panels

TESTIMONIALS

"Working with Jenna was an absolute delight. Her kindness, professionalism, and genuine passion for games shines through every stream. We can't recommend her enough for your creator campaigns!"

-David & Maria from ICO Partners

"Jenna filled in and led production for the entire game outlet MinnMax for two months, and was a joy to work with. She quickly understood and tackled a complex and specific video/podcast production workflow. Two thumbs up!"

-Ben Hanson, Founder of Minnmax
